WHO ARE WE

Many young Ugandans seek international experience through travel, study, and work. At WorkQuest Agency, we make that possible by offering well-paid Hospitality and Agricultural internships in Denmark, Germany, Norway, Austria, Switzerland, and Sweden. Our experienced team matches you with the right program for a rewarding and adventurous experience abroad.

OUR PROGRAMS

Work Quest Agency (WQA) offers paid **Agricultural internships abroad** for African youth pursuing careers in farming. Through its Work Integrated Learning Program, participants gain hands-on experience in dairy and piggery farms, aligned with their education. Interns develop practical farming skills, explore business and job opportunities, and build international networks. After the program, they return equipped for farming careers and improved livelihoods.

MISSION

To connect skilled individuals with exceptional international opportunities, providing tailored programs in agriculture and other fields that inspire personal and professional excellence, build global networks, and drive meaningful impact across industries.

VISION

To become the global leader in creating life changing international opportunities, equipping individuals with practical skills and enriching experiences that foster professional growth and promote sustainable development worldwide.

OUR SERVICES

Internships Abroad:

Gain hands-on experience in agriculture, hospitality, or tech through our European internship placements. Boost your skills and career prospects.

IELTS Training:

Prepare for global opportunities with our expert IELTS coaching tailored for students and graduates.

Study Abroad Programs:

We help you apply and get admitted to universities worldwide, guiding you every step of the way.

We Are *IELTS* Certified!
